

APPLICATION FOR PERMITS TO MINE IN ALASKA (APMA) /PROCESS

EXPLANATION

Permit Application

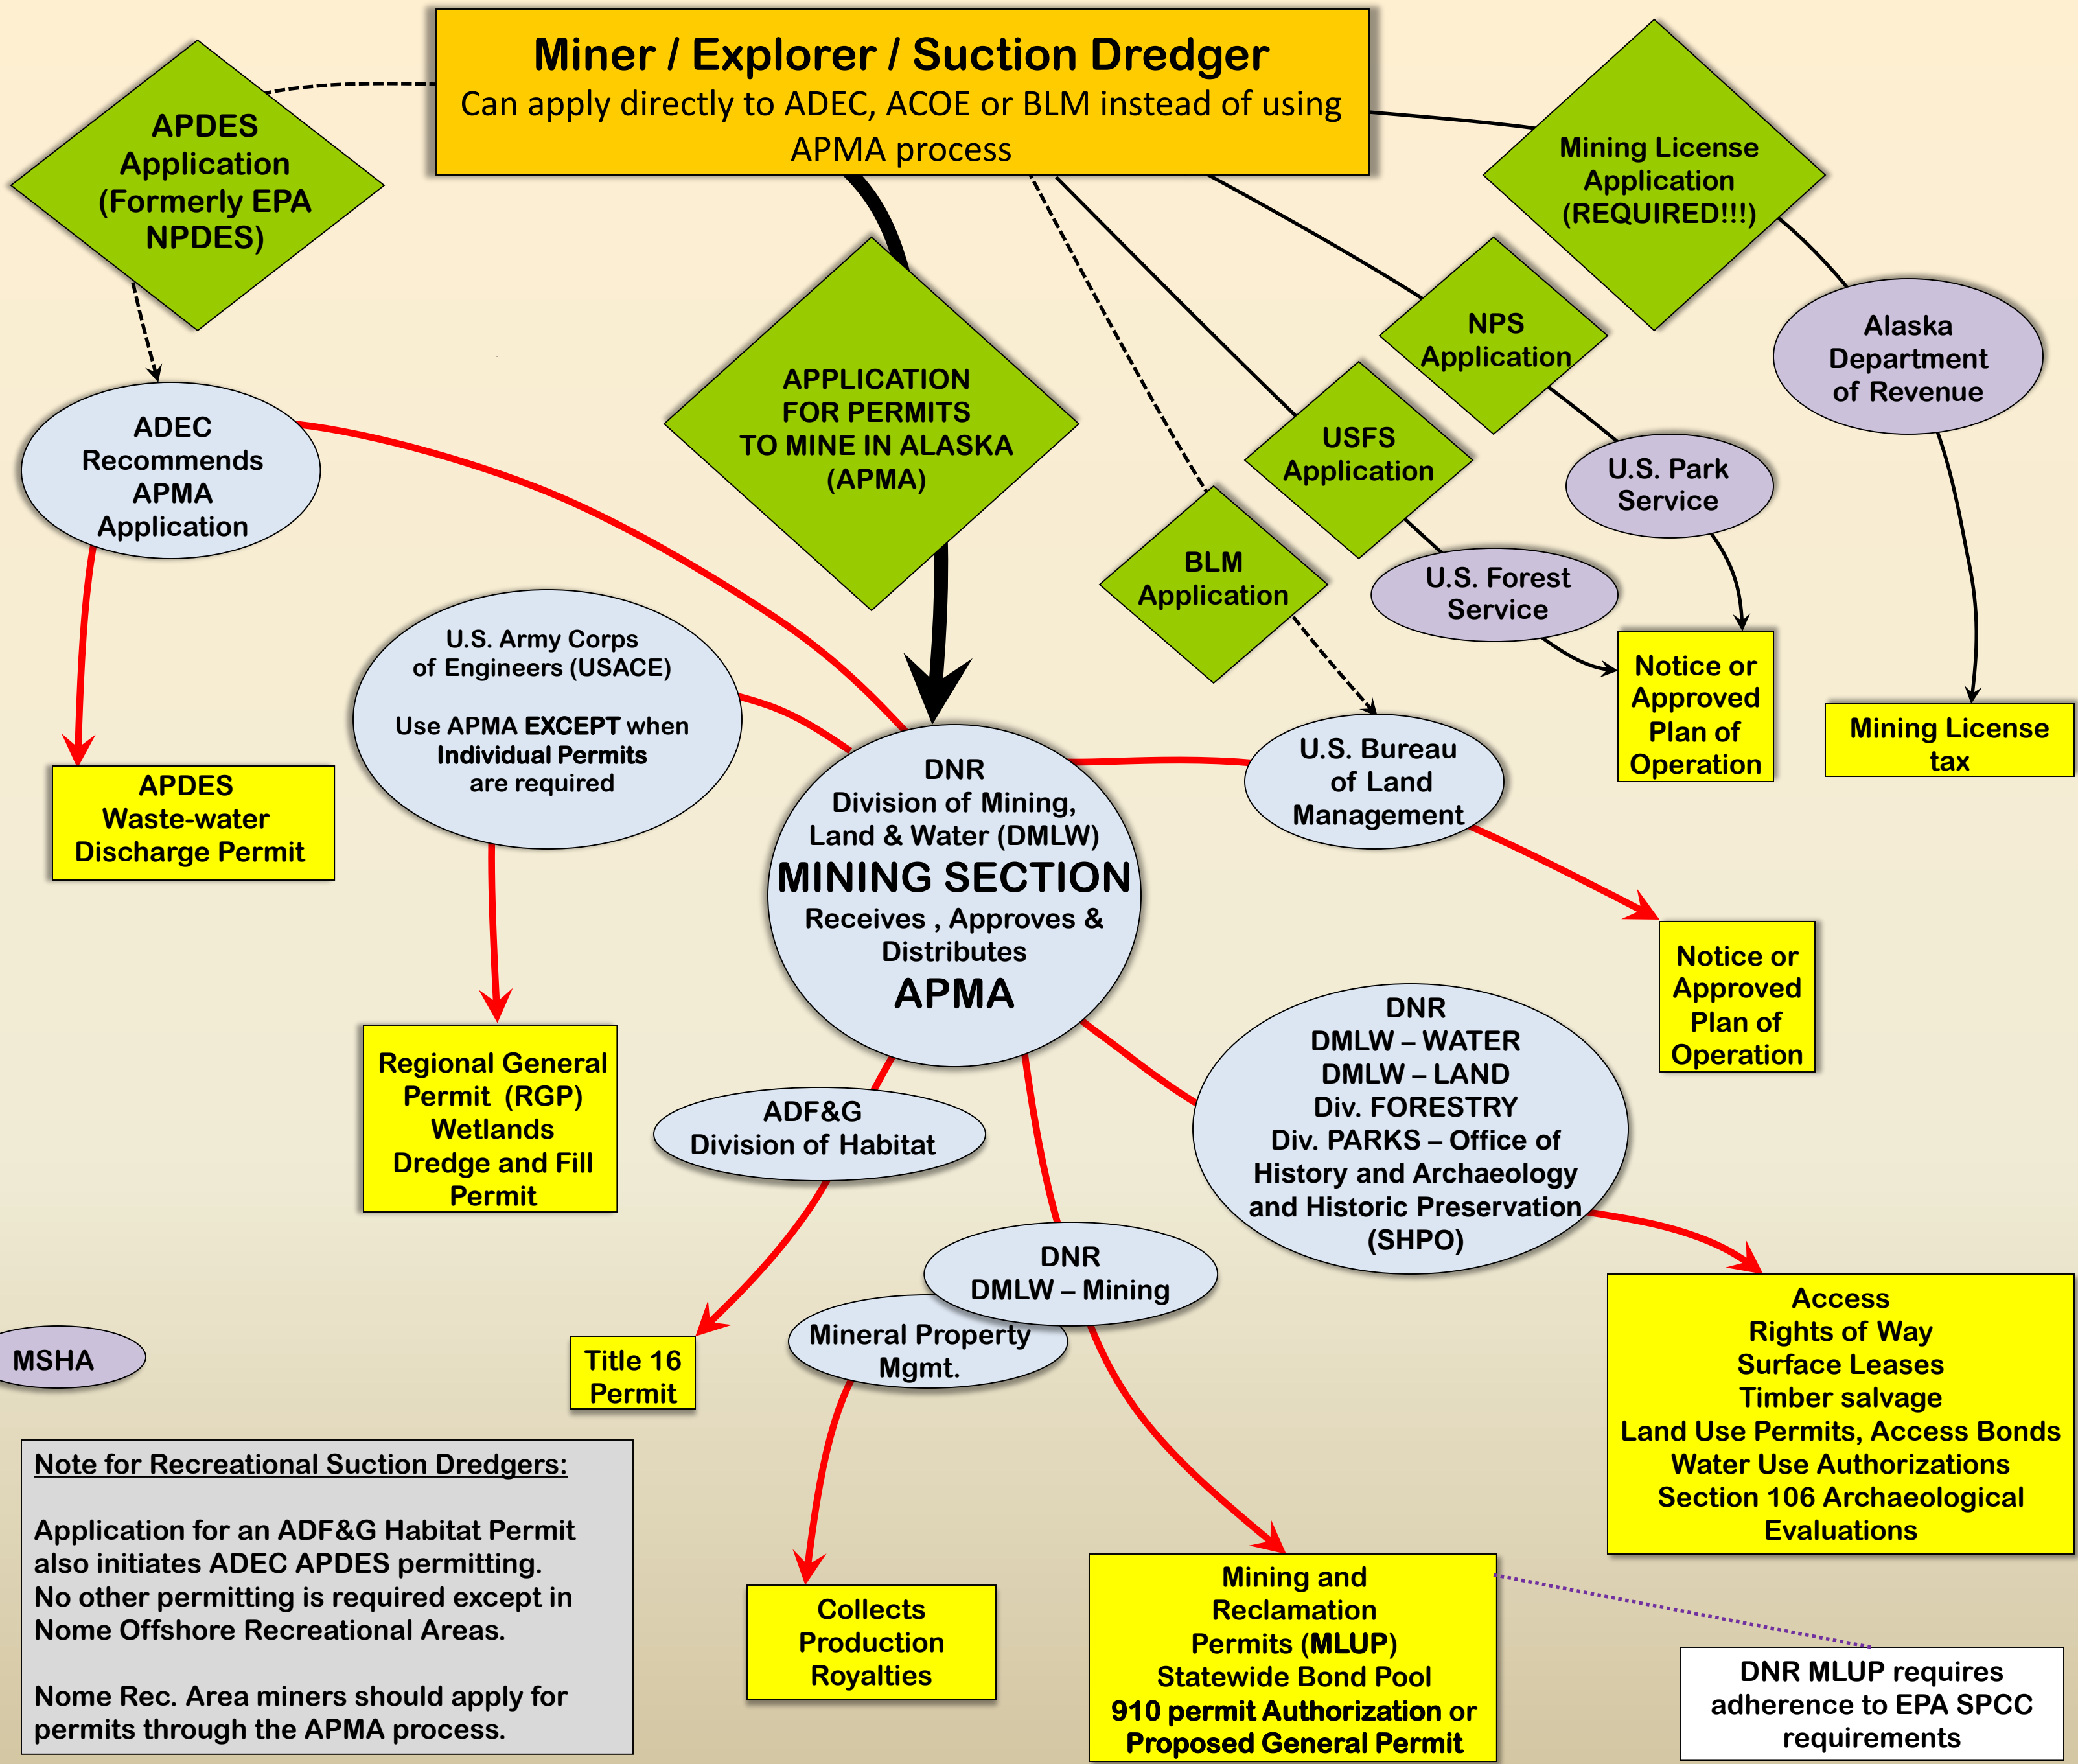

Agencies Using APMA for PERMIT APPLICATION

Agencies that REFERENCE The APMA for INFORMATION ONLY

Permits or Authorizations

APMA Process

Non-APMA Process

Note for Recreational Suction Dredgers:
 Application for an ADF&G Habitat Permit also initiates ADEC APDES permitting. No other permitting is required except in Nome Offshore Recreational Areas.
 Nome Rec. Area miners should apply for permits through the APMA process.

DNR MLUP requires adherence to EPA SPCC requirements
