Dear Applicant:

The Department of Natural Resources, Division of Mining, Land and Water's (DMLW) regional land offices are responsible for managing state land and resources. Certain activities on state land require a land use permit, while other activities are considered "generally allowed" or require other authorizations. Commercial recreation facilities that remain no longer than 14 days in any one site may obtain a commercial recreation permit rather than a land use permit. Additional information and forms are available at any Division of Mining, Land and Water regional land office and the Public Information Centers in Anchorage and Fairbanks.

Land Use Permits:

- authorize the temporary use of state land or resources;
- can be issued for up to five years;
- do not convey any interest in state land;
- are revocable with or without cause;
- are not transferable;
- do not constitute waiver of any other state, federal, or local laws; and

A Complete Land Use Permit Application Package includes the following items:
