QUESTIONS

1. What is the type and nature of each mineral discovery? (Please provide any geological, geophysical, or engineering data in support of a showing of discovery. Data will, upon the applicant's request, be kept confidential by the state. AS 38.05.035(a)(8).)

2. What is the position of the discovery in relation to the northeast corner of the location(s) for each claim?

3. What is your access to the location(s)?

4. What streams or lakes are on or near the location(s)?

5. What improvements (roads, buildings, airstrips, power lines, etc.) are on the location(s)?

6. To your knowledge, does the requested lease area conflict with any other mining locations? If so, please list the name of the location and/or locator.

AS 38.05.035(a) authorizes the director to decide what information is needed to process an application for the sale or use of state land and resources. This information is made a part of the state public land records and becomes public information under AS 40.25.110 and 40.25.120 (unless the information qualifies for confidentiality under AS 38.05.035(a)(8) and confidentiality is requested, AS 43.05.230, or AS 45.48). Public information is open to inspection by you or any member of the public. A person who is the subject of the information may challenge its accuracy or completeness under AS 44.99.310, by giving a written description of the challenged information, the changes needed to correct it, and a name and address where the person can be reached. False statements made in an application for a benefit are punishable under AS 11.56.210. In submitting this form, the applicant agrees with the Department to use "electronic" means to conduct "transactions" (as those terms are used in the Uniform Electronic Transactions Act, AS 09.80.010 – AS 09.80.195) that relate to this form and that the Department need not retain the original paper form of this record: the department may retain this record as an electronic record and destroy the original.

For Division of Mining, Land and Water Use Only

- Proper form with all required information and signatures.
- Sworn affidavit for each location stating:
- Discovery, location and filing performed as required by law
- Type and nature of mineral discovery
- Position of discovery in relation to the northeast corner.

See current Director's Fee Order for applicable fees.

Instructions for Completing the Upland Mining Lease Application

1. All applications must be typewritten or printed in ink on this application form, or an exact image copy of it (11 AAC 88.105). All requested attachments must be provided.
2. Every question must be answered. If an item does not apply to your application, indicate by filling in the space with N/A. Insufficient data or an improperly completed application may be cause for rejection of your application (11 AAC 86.305).
3. If space provided on this form is not enough for your written response, please attach an additional sheet and indicate that it is a continuation of the original.
4. This application may be submitted by mail or be personally delivered. Office hours are between 8:00 a.m. and 4:30 p.m. Monday through Friday, holidays excepted.
5. Completed applications and attachments (including filing fee) must be sent or delivered to:

Alaska Department of Natural Resources
Division of Mining, Land and Water
550 W 7th Ave, Suite 900B
Anchorage, AK 99501-3577

6. Please submit the following items with this application:
 - (a) The "Statement of Qualifications" form (DNR 10-1111), provided by the Division of Mining, Land and Water. Each applicant must submit a copy of this form (AS 38.05.190, 11 AAC 82.200 - 11 AAC 82.205 and 11 AAC 88.115).
 - (b) Check or money order payable to the Department of Revenue of the State of Alaska for the required filing fee (11 AAC 88.105). See current Director's Fee Order for applicable fees. Payment is required with lease request. Processing of the application will not begin until after payment is received.
