COMMISSIONER'S OFFICE

Dear Commissioner Myers:

On April 6, 2015 the Bureau of Land Management sent you a recordable disclaimer for the Tanana River. Upon further review it was discovered that the month on the document was inadvertently noted as March 6, 2015, rather than the correct date of April 6, 2015. Enclosed is a corrected recordable disclaimer of interest for the Tanana River. We apologize for any inconvenience this may have caused.

Please record the disclaimer in the Fairbanks Recording District, Manley Hot Springs Recording District, Ft. Gibbon Recording District, and the Nenana Recording District. If you have any questions, please feel free to call Angie Nichols at 271-3359.

Sincerely,

Bud C. Cribley
State Director
