ACKNOWLEDGMENTS, PLANNING TEAM, STAFF, TECHNICAL ADVISORS, AND SIGNATURE PAGES

Acknowledgments

The Susitna Forestry Guidelines staff would like to thank the following people.

Rich McMahon, Jean Tam, and Hal Brackett of the DNR Land Records Information Section for managing the computerized database and for designing and printing the computerized reports and maps that are the foundation for much of the planning work. **J.P. Zellar** for analyzing timber volume data.

Dulce Ben and Odin Brudie for compiling background information on recreation and transportation in the planning area.

Gloria Weinberger for organizing mailings for newsletters and plan drafts.

Pearl Reamer, Nanci Adeszko, and Debbie Chubin for preparing and maintaining mailing lists.

Susan Peck, Robin Hall, and Elaine Thomas for preparing the text layout, maps, figures, and cover for the plan.

Planning Team, Staff, & Technical Advisors

The Susitna Forestry Guidelines was prepared by an interagency planning team representing state agencies and the Matanuska-Susitna and Kenai boroughs. Staff from the Land and Resources Section of the DNR Division of Land and Water coordinated the work of the planning team. Staff from several federal agencies and soil and water conservation districts were technical advisors to the planning team and staff.

The Alaska Department of Fish and Game assisted the Department of Natural Resources in preparing the Susitna Forestry Guidelines. We appreciate the opportunity to represent fish and wildlife habitat, harvest, and public use values during the development of the guidelines. The Department of Fish and Game will use the guidelines when implementing its authorities and when reviewing and commenting on proposed uses of state lands in the planning area.
